Thursday night arrival charges

Due to the later start on Friday, all Thursday night housing costs will be paid by the local program (must have approval from your Community Resources Director prior to registration)

- Charge will be \$50 / person
- Requiring own room will be \$100 / person

*A fee will be assessed for each quota slot that is requested and granted and then not used.

**How is the number of extra coaches determined?

A local program can bring a maximum of 3 certified coaches for every supported athlete. These additional numbers are for those athletes who need leaders and sidewalkers in addition to their regular coach. SONC staff and sport development team may deny additional coach slots if these needs do not exist. SONC will allow up to 1 coach/chaperone for each athlete at minimum.

The grand total of pluses and minuses from chaperones/coaches gives the final number of "extra coaches."

***At least one level 1 coach is required for every 10 athletes competing in individual sports.
