

# CHAIN OF UNITY

## Fundraising and Awareness Combined

## What is it?

**Goal:** Form the longest paper chain possible! Set a goal to stretch across a certain area of the school.

**How:** Sell paper links for \$1 to students and faculty. Have them write their name and a positive message or word about inclusion on their link. Attach links to create a chain! When a student purchases a link, also have them write their full name on a ticket and drop it into a bowl. At the end of the fundraiser, draw names for prizes!

### Materials needed:

- Markers
- Stapler, glue, and/or tape
- Envelope or jar to collect money
- Location to set up (i.e., lunch room)
