

# LOOSE CHANGE WAR

Fundraiser to help with Polar Plunge Team

## What is it?

**Goal:** Choose the faculty member who will plunge with you through a fundraiser!

**How:** Set up jars with pictures and/or names of possible faculty members to take the plunge with you. Make sure to get approval from those faculty members first. Students bring in loose change and fill the jars. The teacher with the most money at the end wins and takes the plunge with your school's team.

**Materials needed:**

Jars  
Pictures and/or names of teachers

**Polar Plunge:** The Polar Plunge is a Special Olympics fundraiser where you raise money to jump into the freezing cold water. Schools are encouraged to form teams and compete in the Cool School Challenge. Visit [sonc.net](http://sonc.net) to learn more.

## TIPS

---

**Build it up!**

Make lots of announcements and post flyers around the school ahead of time to get everyone excited! You can even have the teachers make announcements too!

---

**More than one day!**

Host the fundraiser longer than one day to let more people participate!

---

**Make it visible!**

Put the jars where no one can miss them!
