26	15m Walk (@ 9:30 a.m.)	01

### **Note of consideration:**

We want to acknowledge that the format in which you see heats and divisions displayed throughout the program will not be in the way in which you remember. Heats and divisions are **not** numbered chronologically for the entire day. In past meets, we have started with Heat 01, and ended the day with Heat 150. You will see this has changed.

For example:

Event #3 25y Backstroke, within the 25y Backstroke, each division is labeled with a number and a letter. The **number** (example: 05B) represents the heat in the pool **for that event**. The **letter** designates the division (the competitive grouping of athletes that will be awarded Gold, Silver, Bronze, etc.).

To better help you navigate, please listen for the announcement for the Event and Heat for staging. Although the format in which we have given you this information has changed; however, the way in which we program and division has not.
