**Please Note:**

At this time SOGC does not currently offer a golf program. We would love to start one in the fall season if we are able to secure a location and a coach to assist our athletes.

Despite not having an active golf program at this time in our county, athletes (ages 8 and above and with a current athlete participation packet on file) are still welcome to participate in opportunities across the state.

If multiple athletes sign up to attend a date with the golf tour SOGC may provide transportation and supervision to one of the events. If not enough athletes sign up we kindly ask that parents/chaperones take athletes to these opportunities.

SOGC may provide snacks or other reimbursements as available.

Again, please email us at [gaston@sonc.net](mailto:gaston@sonc.net) if interested!
