** How is the number of extra coaches determined?

The 1:4 ratio is considered for each of the following:

- Athletics
- Gymnastics
- Basketball Individual Skills
- Powerlifting
- Basketball Team
- Swimming
- Bowling
- Volleyball

The grand total of pluses and minuses from the various sports gives the final number of "extra coaches."

*** At least one certified coach is required for every 10 athletes competing in individual sports and at least one certified coach is required for each team.
